Modules have limited spots available. These spots will be filled on a first come, first served basis.

Min / Max Credits

Incoming students must enroll in modules totaling a minimum of 12 ECTS and a maximum of 32 ECTS credits.

Workload

1 ECTS = 30 working hours. This includes contact lessons, self-study, project work and exam preparation. (Further information about the ECTS credit system: https://ec.europa.eu/education/resources-and-tools/european-credit-transfer-and-accumulation-system-ects_en

Module Changes

Module changes are only possible during the first two semester weeks. Drop-outs need no further explanation. Drop-ins into new modules are accepted in exceptional cases and upon request only, for example in the event of unexpected time table clashes or unmet requirements in a module.

Group Projects

Group projects – group assignments and presentations – are very common at the BFH Business School. If group projects are the form of assessment in a module, attendance is required at designated dates and times. Each student in a group must contribute on an equal basis.

Exam Period

Final exams will take place on campus between **12 – 31 January 2026** and must be sat on site, so please prepare to be present in Bern during the exam period.
