## Requirements

Exchange students are welcome to make their selection from the here listed modules, as long as module requirements are met (please see the module descriptions). Combining modules from different degree programmes is possible. If in doubt, please contact us: [international.business@bfh.ch](mailto:international.business@bfh.ch).

## Time Table

We do not allow students to take modules that overlap in time. Please use the timetable template as an aid to create your individual timetable. Sometimes the same module is taught in several different classes or groups, so you have the possibility to choose the class that best fits your timetable.

## Limited Spots

Modules have limited spots available. These spots will be filled on a first come, first served basis. Therefore we recommend you return your module selection as soon as possible.

## Min / Max Credits

Every incoming student must enroll into minimum total 12 ECTS worth of modules. The maximum amount of ECTS credits are 32 ECTS. Students are responsible for checking and keeping to any possible requirements their own home university may have for accrediting the exchange semester(s).

## Workload

1 ECTS = 30 working hours. This includes contact lessons, self-study, project work and exam preparation. (Further information about the ECTS credit system: [https://ec.europa.eu/education/resources-and-tools/european-credit-transfer-and-accumulation-system-ects\\_en](https://ec.europa.eu/education/resources-and-tools/european-credit-transfer-and-accumulation-system-ects_en))

## Group Projects

If group projects or presentations are the form of assessment in a module, note that your attendance will be required at designated dates and times. Group projects are very common at the BFH Business School. It is important that each student participates in group work on an equal basis.

## Exam Period

Final exams will take place on campus between **17 June and 06 July 2024**. Please make sure to be available **on site** in Bern for the exams.

## Module Changes

Module changes are only possible during the first two semester weeks. Drop-outs need no further explanation. Drop-ins into new modules are accepted in exceptional cases and upon request only, for example in the event of unexpected time table clashes or unmet requirements (required previous knowledge) in a module. Should you wish to make changes to your module selection and modify your Learning Agreement, please inform us by email: [international.business@bfh.ch](mailto:international.business@bfh.ch).
